

Successful A Level / Level 3 Results Celebrated at Joseph Leckie Academy

Joseph Leckie Academy's Sixth Form students are again celebrating A level results day with some superb examination results by our wonderful Year 13 students.

Twenty one sixth form course and seventeen subjects have achieved a 100% pass rate, with successes in both vocational as well as A Level courses.

Students in mathematics achieved a string of A grades with Sufyan Jasat, Michal Marhefka, Muhammed Javed and Zareen Uddin all achieving A grades. Samuel Alom did even better with A* in mathematics, complemented by an A in further mathematics. Adnan N'Yo managed to secure A grades in both history and English literature, whilst Yusuf Hussain and Nafeesa Akhtar secured A grades in sociology and psychology respectively.

Muhammed Javed secured A*, A, A in three subjects including chemistry and mathematics and aspires to study medicine at university, whilst Hamzah Ahmed, international boxer, gained A grades in history and sociology with a B grade in drama.

Afana Tahir, Javaria Ejaz and Brittany Craddock were among students who achieved three A grades each in their chosen subjects, offering 168 UCAS points towards courses at university. This type of success is typical of Sixth Form students at Joseph Leckie Academy.

Vocational subjects fared very well also; even with tougher more rigorous new examinations. Hajera Begum and Hadeeka Hafiz gaining a National Diploma at Dist* / Dist level in health and social care, with Fameda Bibi achieving Dist / Dist.

In graphic design, Victoria Davenport achieved Dist* / Dist, with Shuaib Ashif achieving three Distinction grades to secure his place at university.

Applied business saw five students namely; Tarampreet Bachra, Areeb Sheraz, Aleeza Yasir, Anjum Khatoon and Nilima Malik achieve Distinction / Distinction, providing a successful route to university or the workplace. Whilst scientists Zainab Mowlabux Dist* / Dist, Zaina Patel and Rimza Hussain Dist / Dist, all did very well in their chosen BTEC National Diploma courses.

Well done to all of our Year 13 students.

We wish all of them continuing success for what will be very bright futures.
