16th January 2023

Dear Parents/carers,

Re: Year 11 Study Skills Evening

We are happy to let you know that the Academy will be hosting a Year 11 Study Skills Evening for students and parents/carers, on **Thursday 26th January 4.00pm - 6.00pm**. This evening is an opportunity for parents/carers and students to come to the Academy and receive your child's mock exam results. There will also be opportunity to discuss mock exam outcomes, revision strategies, key textbooks, revision classes and post-16/careers opportunities. The evening will provide parents/carers and students with a greater understanding of how to prepare for the summer examinations and what support we can offer.

The event will be held in the CBB where various rooms will be set up for different activities:

- Mock exam results.
- 10-minute presentations on the importance of year 11, revision and exams.
- A 'Market Hall' where departments will have a stall to discuss mock exam outcomes. Also to sell revision guides, give out revision/exam question packs and hold small one-to-one conversations with parents/carers and students about how to revise for their subject.
- A careers room will be set up with local Universities and representatives from different organisations.
- 15-minute mini-teaches of revision strategies in general or specific to their subject area (these will run on rotation).
- A refreshment room will be available for parents/carers to chat to members of staff further about mock exam results.

To book a place at the Study Skills Evening and give your permission for your child to attend, please visit <https://www.josephleckieacademy.co.uk/yr11studyskills>

We think that this will be a very important part in our attempts to help your children to achieve the best possible examination outcomes and, even if you are unable to attend, it is integral that your child attends. As a result, we have made this evening earlier so that it follows your child's Period 6 studies. I hope that you will be able to attend and take advantage of the opportunity to support your child in their learning following their mock exam results.

Yours sincerely,

Mr James Ludlow
Principal.

Learn together, lead together.
