

Prohibited items: Malpractice

WATCHES:

Students are no longer allowed to have any type of watch in their possession during an exam – this includes, smart watches, digital watches and traditional analogue watches.

Mobile phones are the biggest issue....

In the previous exam series, the biggest malpractice issue was students having a mobile phone on them in the exam, accounting for **46%** of our student malpractice cases, **which led to 14 students being disqualified from a whole qualification, and 33 students losing all their marks for one exam.**

Remember, just having a mobile phone in your possession, even if you do not use it, will lead to a total loss of marks for a student. Using or attempting to use a phone will lead to disqualification.
