Parent Trustee Vacancy

Dear Parents and Carers,

We are excited to announce that we currently have a vacancy on the Trust Board here at Joseph Leckie Academy for a Parent Trustee. We would be delighted to receive applications or expressions of interest from any parents and carers who have the necessary skills and commitment to successfully support the academy in this very important role.

The Trust Board is made up of Trustees with a wide range of experience and skills and performs a vital role within the academy. The Board is responsible for both the strategic leadership of the academy and ensuring that the highest standards of education are secured. It achieves this by setting a vision for the academy and then building a thorough knowledge of the academy and its community, supporting and constructively challenging academy leaders and by ensuring accountability and compliance.

We are looking for nominations from someone who has parental responsibility for a child at Joseph Leckie Academy. This nomination will ultimately need to be seconded by another parent but please do not let this put you off from expressing an interest. Should we receive more than one nomination for Parent Trustee, then a ballot will be held.

Trustees are not required to have a background in education or any teaching qualification although they are expected to be able to read and understand straightforward budget reports and data on academy standards. Trustees should have an interest in maintaining high standards for the academy as well as an interest in the welfare of its pupils. They should have a willingness to get involved and contribute valuable time, skills and knowledge to assist in making decisions in the best interests of the academy community.

Our Trust body expects Trustees to:

- Attend three annual meetings of the Full Trust Board
- Be responsible, as a link Trustee, for a particular key area of the academy
- Be part of at least one sub-committee
- Attend academy events
- Commit to attend training courses as required by your role

In return, our Trust body commits to:

- Provide you with a structured induction
- Provide access to quality training
- Provide you with an experienced Trustee as mentor
- Ensure that you feel valued and supported as a member of Joseph Leckie Academy community and that you gain a sense of satisfaction from fulfilling this very important role
