

## Joseph Leckie Academy

1<sup>st</sup> March 2021

Dear Parents/ Carers

As you will be aware the Pandemic and current guidance has meant that we took the decision to delay the Year 8 parents/ options evening until April 29<sup>th</sup> 2021. This is the time that your child will choose subjects that they wish to study at Key Stage 4.

As these are very important decisions we are providing the information booklet now (information is also on the website) so that you have the opportunity to discuss choices and subjects with your child well in advance of the process. This information is also available on the Academy website should it be required.

In addition to this, short videos will be available on SharePoint where staff will outline the courses available to support you and your child to understand the content of different subjects and therefore help your decisions. You can access this information via your Office 365 Academy login or via your child's SharePoint login.

Your child will receive their Options form closer to the date of the parents evening but we hope that they take the opportunity to talk to teachers about subjects when they return to school and prepare themselves to make these very important decisions.

Yours sincerely

Rachel Cook

Acting Principal
